Subject: Scarsdale Library

Dear Mayor Mark & Scarsdale Trustees,

I am writing to let you know that I support the \$12M bond to transform the Scarsdale Public Library. The library is an important community resource and deserves our community-wide financial support.

As a resident, I recognize the value of this important project. Public libraries continue to be vital community resources. In addition to providing our community with books, programs, and other resources, Scarsdale Library also serves as a community meeting space and hub.

This project is important to me because I am raising my family here. I grew up in Edgemont, my husband grew up in Scarsdale and we have a lot of family in the area as well. I spent a lot of time at the Scarsdale Library when I was in high school and I think that the Library is as important as it ever was in this community. With so many technological changes over the past twenty years, it is critical that Scarsdale keep up with these changes and give to its residents, and especially its students, a safe and appropriate outlet in which to participate.

I urge you to make this project a priority of the Village of Scarsdale and to pass the \$12 million bond.

Sincerely,
Lori and Alex Harrison
