Dear Mayor Mark,

The Friends of the Scarsdale Parks wish to extend our sincere gratitude to everyone at Village Hall for finding a solution to the perennial challenge of “where to put the snow” – especially after a storm of the magnitude of last weekend’s blizzard and record accumulations. To the Village Board and the Manager’s office, to the departments and staff of Public Works and Parks, Recreation and Conservation, we applaud your collective efforts devoted to ecologically friendly best practices.

With appreciation,

Madelaine Eppenstein, Co-president  
Susanne Jones, Co-president  
On behalf of the Friends of the Scarsdale Parks, Inc. Board of Directors
