Subject: Friends of the Scarsdale Parks, Inc. Support for Food Scrap Recycling Pilot Program

Dear Mayor, Trustees, and Professional Staff,

The board of directors of the Friends of the Scarsdale Parks, Inc., in furtherance of our environmental conservation mission, supports the recommendation of the Scarsdale Forum that the Village Board should "(1) approve a pilot program for the pickup and recycling of food scraps from residential households; (2) establish an ad hoc committee with residents, Village staff and members of the Board of Trustees to develop and implement the pilot program; (3) conduct the pilot program for a 12-month

period; and (4) following the completion of the pilot program, evaluate options to continue or expand the pilot program.”

Respectfully submitted,

Madelaine Eppenstein, Co-president
Friends of the Scarsdale Parks, Inc.
