Dear Mr. and Mrs. Rosewater -- This will acknowledge receipt of your email. For your reference, attached is a handout prepared by Monte Nido for an informal meeting with residents they hosted at the Scarsdale Library on November 15th. It contains FAQs to which they have responded.

As you may be aware, a meeting of the Scarsdale Village Board Land Use and Law Committees is scheduled for November 24th at 6:30 pm at Village Hall. At the meeting, the Board intends to learn more about the details of what is proposed and to consider whether alternatives available under the Padavan Law might be pursued. You may wish to attend.

Very truly yours, Jon Mark

Subject: Letter re Monte Nido Facility

Dear Mayor Mark,

As recent purchasers of 30 Heathcote Road, our home will be directly impacted by Monte Nido's proposed commercial group treatment facility to be located at 2 Morris Lane, a property that adjoins our back yard. We have a number of concerns, both personally and for the greater community, regarding that proposal. Those concerns are detailed in the attached letter, which we hope will add to a full and transparent dialogue about the proposal.

Yours truly,

Mary and David Rosewater
