Subject: Food scrap recycling pick up

Dear Mayor,

My name is May Ling Chia, a resident at 19 Colonial Road. I am writing to ask you to please approve all recommendations in the report submitted by the Scarsdale Conservation Advisory Council.

I am a strong advocate of recycling and was delighted when our village supported the recycling of food scraps. No one should waste food but when food scraps don't have to go into the garbage, it has another purpose. My household garbage does not smell since food is separated from the regular garbage.

I hope that you will implement weekly pick up of food scraps at curbside.

Thank you.

May Ling
