Dear Mayor Hochvert,

Thank you very much for mentioning drivers who speed past stopped school buses on Fox Meadow Road at the last Board of Trustees meeting. This is a very serious problem.

I would be very grateful if in your opening remarks tomorrow, November 28th, you could please mention that the Scarsdale Traffic Survey, www.ScarsdaleTrafficSurvey.com closes November 30th. All Westchester residents including tech savvy kids are encouraged to fill it out.

If you are able to mention the survey link, that would be fantastic. According to Mr. Cole, he would then be able to include it in Scarsdale Official, which would help the Municipal Services Committee with its outreach on this important survey.

I am in Boston for work; otherwise I certainly would attend the BOT meeting.

I thank you for your time and efforts to improve pedestrian, cyclist, and traffic survey in Scarsdale.

Best regards,
Mayra
