Dear Ms Kirkendall-Rodriguez -- The Police Department posted a release on this matter on the Village web site last night. The release was updated today by the Department. See link below:

I now see from your subsequent email that you found it.

Trustee Veron, the Ad Hoc Committee and the Village staff are focused on how to make such releases more visible more quickly.

Very truly yours, Jon Mark

Dear Trustee Veron,

Is the ad hoc communications committee putting out a release about the attack in Greenacres and maybe something about crime prevention? Or is that the responsibility of the police? As you see on Facebook's Scarsdale Moms, there are all kinds of questions and speculation. It might be good to get some formal entity to inform residents properly.

Have a good weekend.

Very best,
Mayra
