Subject: PLEASE SUPPORT THE LIBRARY!

Dear Mayor Mark & Scarsdale Trustees,

I am writing to let you know that I wholeheartedly support the \$12M bond to transform the Scarsdale Public Library. The library is an essential community resource and deserves our community-wide financial support.

When my husband and I were planning to move out of New York City just three short years ago, we took tours of Scarsdale and many surrounding areas to decide where we wanted to raise our family. Undoubtedly, the strength of each community's library was a selling point for us and factored into our decision. While Scarsdale's library might not have been the most modern or up-to-date, we could see its vibrancy and the variety of its programming. With small children, this most certainly attracted us to the area, and helped us decide to move here. Certainly, Greenwich's library was a much more beautiful facility, but we could really tell this community *used* its library and used it well. Moving forward, if Scarsdale is to maintain its top-billing status as a community young people really want to move to, it is imperative to renovate our library to meet the needs of a modern society. My children love the library, but they are 6 and 9 and I fear as they get older, the musty, dusty library will no longer excite or

entice them. It is time to bring the Scarsdale library up to date and give the smart, sophisticated residents of this town a library they can be proud of.

I strongly urge you to make this project a priority of the Village of Scarsdale and to pass the \$12 million bond.

Sincerely,

Michelle Miller
