Subject: Richard "Rippy" Philipps Field at Crossways

CAUTION: External sender.

To Whom It May Concern,

Rippy has done more for youth in this community than any other individual I can think of. Rippy coached me for years and we are still in touch regularly to this day. I can honestly say he was and is a huge positive influence in my life and genuinely cares about all those who have had the honor of being coached/mentored by him. Mine is in no way a unique experience, many of my peers have experienced much of the same.

I give my full endorsement to the field at Crossways to be named after Rippy.

Best,
