Dear Mayor,

Please accept this email as my utmost support for the dedication of the football field at Crossways Athletic Complex to Richard 'Rippy' Philipps. Rippy's commitment to and impact on the children of Scarsdale for the past 3 decades is nothing short of awe-inspiring. His legacy as a coach, mentor, leader, advocate and friend to thousands of kids is permanently etched into the history of our village. I believe his impact will live for generations through the lessons and examples of love and giving he has imparted to our children. In my opinion, this legacy should be permanently memorialized by this worthy dedication. I hope that you and the Board of Trustees share my view.

Thank you for your consideration.

Sincerely

Mitchell J. Katz
