> I am writing to express our opposition to the proposal. It would be a meaningful inconvenience to us (and presumably many homes in town like ours, where the garbage is kept in the back). While increasing to weekly pickup would be modestly beneficial, it would not outweigh the detriment of switching to curbside. We would be supportive of an increase to weekly, without moving to curbside, even if it meant additional cost.

> We appreciate everyone's work on the proposal and efforts to improve our community. However, we are not in support of this one as it currently stands.
