Subject: Library Renovations

Dear Mayor Mark,

My family has been residents of Scarsdale for 33 years and have held library cards for all that time We are constant library users. We lived through the addition of the mezzanine and are not anxious to live through a major renovation. However, we see the necessity of the project and wish to express our support for it. God knows our taxes are high enough, but we are happy to reach a little further and pay for the proposed bond issue.

Yours truly,

Paul and Margaret Poster
