Dear Mayor Mark,  
I would like to express my opposition to a for-profit, commercial enterprise within a quiet residential neighborhood. Clearly this location is inappropriate for a treatment center. Every neighboring structure is a family home. Introducing a facility with short-stay patients and constant staff requiring traffic for shift changes at all hours is not in keeping with the suburban charm that drew us to this neighborhood. I beg you to consider alternatives to this site.  
Thank you,  
Peter Gross
