Hello,

I have heard there is a movement underway to name a field at Crossways for Rippy Philipps. I would love to voice my support for this. He has been heading up the youth football program for our son Daniel (4th grade) since he was in Kindergarten and I have been blown away by Rippy's passion and involvement. I do not know him personally but watch him work with the kids and there is no doubt Scarsdale is lucky to have him. Nobody deserves this honor more than he does.
