Subject: Questions for Mr Ryan regarding the revaluation

Mr Mayor-

Please put these questions to Mr Ryan for an "on the record" response at our meeting.

1. Who was your contact, or the first person who made your introduction to Scarsdale Village?
2. Where did you obtain the data parameters for property condition / building grades?
3. Who decided the "traffic" grade / parameter for each property used in your formula and what were the standards used?

Thank you,

Sincerely,

Philip Maresco
