Dear Leaders and Officials of Scarsdale,

It is with great pride and the fondest of memories that I reflect on the positive impact of Coach Rippy on literally hundreds of students I work with as Director of Counseling for Scarsdale High School for eighteen years and as the parent of a graduate Class of 2000 who was coached and inspired by Rippy's guidance, encouragement, and positive example. Because thousands of Scarsdale students have had their lives transformed in positive ways by Coach Rippy's positive influence, it would be a fitting and timely acknowledgment of his extraordinary dedication to the youth of our village to honor his with the naming of a local athletic field.

Thank you for adding my name to the long list of grateful community residents.

Sincerely,

Marjorie Jacobs
