Re: Crown Castle NG East LLC

Dear Honorable Mayor and Members of the Village Board:

We represent Crown Castle NG East LLC ("Crown Castle") in connection with its ongoing request to locate a Distributed Antenna System ("DAS") within the Village of Scarsdale ("Village") controlled public ways pursuant to a Right-of-Way Use Agreement ("RUA"). For your convenience I have enclosed a map showing the proposed locations of the DAS nodes.

We respectfully request to be placed on the February 13, 2018 Village Board agenda to discuss this proposal. As you may know, we are also requesting approval of the RUA from the Village Board.

Thank you for your consideration.

Very truly yours,
Snyder & Snyder, LLP
