Dear Mr. Harrison-- The meeting was recorded and is on line. See link below.

This will a resumption of an analysis that has stretched over many years. See the link below to the August 2010 "An Updated of the Village Center Component of the Village of Scarsdale Comprehensive Plan" posted on the Village web site (linked below).

Subject: Unplicated Village Board Meeting on Freightway Site Development

To : Mayor , Village Board and Village Staff ,

I learned on Wednesday, February 8th that the Village Board held a meeting on Monday, February 6th with Village Planner Liz Murrinan to discuss an RFP for a Planning Consultant for Freightway Site Development.

When was this meeting noticed ? To my knowledge there was no mention of this meeting at the Agenda meeting or Village Board meeting on January 24th. The Village website February calendar shows no meeting on February 6th !!!

Was the February 6th meeting videotaped for Channel 75 ?

Did Liz Marrinan present written material to the Board in this public meeting ? Did other Village staff present written material at the meeting ?

Are there minutes available from the meeting ?

Any Freightway Site Development is most important to the Scarsdale Community. Where is Scarsdale Open Government and the communications committee ???
