Subject: Fox Meadow Road Power Outage for 30+ Homes

Steve,
Help ! Help ! Please press Con Ed to restore power on
Fox Meadow Road - a main double yellow line road in Scarsdale.
We are freezing in our homes and we have families with medical
issues.

Yesterday power went on from 2 to 4 PM . At 6 PM Supervisor Vinnie
said he would turn power back on - never happened . At 7:30 PM all Con Ed
men were gone from the area at Church and Crane. Last night it looked like more
houses were dark in the area without power . What is going on ???

Con Ed should be working 24/7 to restore power in this emergency !!! The Village
has to press harder on Con Ed now. We are disparate .

Thank you for your effort.

Bob Harrison
