Subject: FYI The Town of Greenburgh Town Property Tax

CAUTION: External sender.

FYI I spoke to Paul Feiner , the Town supervisor of Greenburgh , today as his sister and Mother live next to me on Fox Meadow Road and Paul visits them daily. Paul grew up in Scarsdale and led the effort to allow women to join the Town and Village Club (now the Scarsdale Forum) with full voting rights back in the 1970's

Paul has been ELECTED Town Supervisor for many years (20 ++) and is a strong proponent of keeping Greenburgh's tax rate down . He tells me that Greenburgh did NOT raise property taxes for their fiscal calendar year 2020 and did NOT raise property taxes for their current fiscal year 1/1/2021 to 12/31/21 despite the covid 19 pandemic

The Town of Greenburgh includes the Village of Edgemont and School District adjacent to Scarsdale.

I will present on Monday history of the facts on our unassigned fund balance as a % of expenditures to make the case for lowering Scarsdale's tax rate increase for the coming fiscal year to a range of 2 % to 2 1/2 % vs the tentative filed Budget increase of 2.99 % . Compare that with our neighbors in Edgemont !!!

Bob Harrison , Chairman
