Dear Mayor Mark & Scarsdale Trustees,

I am writing to let you know that I support the \$12M bond to transform the Scarsdale Public Library. The library is an essential community resource and deserves our community-wide financial support.

As a resident, I recognize the value of this important project. Public libraries continue to be vital community resources. In addition to providing our community with books, programs, and other resources, The Scarsdale Public Library also serves as a community meeting space and hub.

This project is important to me because to have a place I can take my 3 kids to utilize the resources that a public library offers. In today's changing world, it is critically important we maintain something that is as core to community as is a Public Library.

I urge you to make this project a priority of the Village of Scarsdale and to pass the \$12 million bond.

Sincerely,

Russell Kwiat
