RE: New York SMSA Limited Partnership d/b/a Verizon Wireless ("Verizon  
Wireless") Public Utility Wireless Telecommunications Facilities in the  
Village of Scarsdale

Dear Hon. Mayor Veron and Members of the Village Board:

We support Verizon Wireless' efforts to enhance its wireless services to the Village. We are in favor of Verizon Wireless' proposed facilities at Village Hall and at the emergency services building at 50 Tompkins Road.

Verizon Wireless' facilities are vital to the health, safety and welfare of the Village and its residents. These facilities will provide much needed coverage to the area and will enable reliable wireless communications including emergency wireless 911 services. We respectfully urge that you approve Verizon Wireless' facilities forthwith.

Sincerely yours,
