CAUTION: External sender.

Hi all - I am writing in support to recommend that Crossway Fields be renamed in Rippy's honor and name.

I have been a scarsdale resident for the last 8 years and have 2 sons and a daughter. My oldest is 15 and has been playing football since 3rd grade and into high school. My younger son has been participating in the flag football since its inception and is still doing it now during the pandemic.

If it wasn't for Rippy building the youth program, Scarsdale football wouldn't be as strong as it is today.

He treats every kid as his own and is so proud to do it day in and day out. His passion and dedication speak for themselves.

Thanks so much
