Subject: 2 Morris lane

Hon. Mayor,

I am a Scarsdale resident. I learned that 2 Morris Ln is in a contract to be sold for a commercial treatment center.

I am concerned that turning part of our community into a commercial treatment facility is going to have a big strain on our infrastructure.

Those commercial facilities should pay at least 10 times more taxes to make up for the strain they put on our infrastructure and on our home values.

Kind regards,

Serhan Secmen
119 Carthage Rd
