Hi David,

Thank you for your email. The Village Board plans to conduct a public hearing on this issue at its March 23rd meeting. I will forward your email to the Board and I invite you to participate in the Village Board meeting on the 23rd.

Best regards,

Marc

Mr. Mayor: I am one of many Scarsdale residents working from home, and the noise from leaf blowers is making that nearly impossible. Village Code 205, sec bB prohibits gas-powered blowers from June-mid September. Why can't that prohibition be extended to the entire year? There are perfectly acceptable, affordable battery powered blowers on the market that the services use during the summer months, and they should be able to use them the rest of the year as well.

Thanks for your consideration.
