Subject: The Richard "Rippy" Philipps Field at Crossways

CAUTION: External sender.

Dear Trustee Members,
Please add my name to those enthusiastically supporting the initiative to rename a portion of the Crossway Field after my good friend Rippy Phillips. I am a SHS graduate (Class of 1978) and I moved back here in 1997 to raise my family. Through all those years there has been no one who supports youth athletics as much as Rippy. He is a force of nature and a terrific example for the children of our community. I cannot think of anyone who deserves acknowledgement as much as he does.

I urge you to react favorably to the naming request.

Thank you,
Stuart D. Katchis, MD
