Dear All,

I assume that you are aware of this program, and have already prepared and sent the application ... but just in case, here is a link to the NYS grant program for \$10 million to revitalize downtowns: <https://www.ny.gov/programs/downtown-revitalization-initiative>. Here is a link to the Guide Book information for completion of the application: [https://www.ny.gov/sites/default/files/2021-07/DRI\\_Five\\_Application.pdf](https://www.ny.gov/sites/default/files/2021-07/DRI_Five_Application.pdf). This would be a huge help for the Complete Streets project if the grant were awarded to Scarsdale.

I just learned of this program today from an email I received from the Hunter Foundation, a not-for-profit organization up in the Northern Catskills where we have our country house. Please let me know if the Scarsdale Forum's Downtown Revitalization Committee could be of any assistance.

Kind regards,

Susan
