Subject: Re: FW: From Resident Susan Levine.....About House Numbers

Susan

I did stress the need for visible numbers at the meeting before last. One of the people in the audience, Andrew Sereysky, when he came to the mic, said the Greenacres Neighborhood Association still has numbers and residents could contact him to receive the numbers.

Subject: From Resident Susan Levine.....About House Numbers

Hello Trustees...

I have mentioned my concern to the Mayor.. but have not had a reply...
regarding the fact that many Homes in Scarsdale do Not Have
Visible House Numbers on them...on the Front somewhere..where
they can easily be Seen By Fire and Police...

Mayor Peter Strauss tried to remedy this during his tenure..
but it is an ongoing issue...

Perhaps it could be Mentioned During a Board Meeting or Two

in case some residents are watching and can take action
on this important safety matter...

As you drive around town..please notice that what I am saying is
correct...that many homes do Not have their House Numbers clearly displayed...

Thanks very much.

Susan Levine
