To Trustee Jane Veron..

Thanks very very much to you and your committee for all the new communications that are flowing to residents via email...

Really good..especially the new "Scarsdale Official"..

Now your task will be to get as many Village Residents' email addresses as possible so that you can send the "Scarsdale Official" to many more people...

and to Publicize the Scarsdale.com Village Website as often as you can.. at all Board Meetings and elsewhere..so more residents know about it.

Public awareness on Village matters is essential. These efforts are very helpful in increasing it.

With my thanks again..
