

Hello Mayor Mark...

I am delighted that you will join the EHNS
on Monday evening June 13 at the Crossway Fire House.

First some refreshments ..and then the Meeting at 8PM.

***If you might..on your way...drive down Ardmore Road
(my one block street between Carthage Rd and Crossway)

and notice the New Yellow House in the Middle of the Block
(4786 square feet) ...36 feet high...
placed right next to Mine at Number 11..(1752 square feet)..
with no room between us....
I would be very grateful.

The latest development was the Removal of the
remaining "Living Fence" blooming Hedges that had provided
beauty and privacy between my neighbor and myself for
47 years...The bottom parts were on my neighbor's property..
by a few inches...
They had been planted jointly by the two friendly neighbors
about 1950....

The lovely blooming Hedge is now all gone (along the back 50 feet..including
my Deck Area)
..to be replaced by Cone Shaped Evergreens.

**I contend that Changing/Increasing the Side Setback Requirements
in these situations..(small lots..big houses..placed
as close as possible to the neighbor..and the property line)...
would go a long way to remedying this type of result.

I did not even get a chance to say goodbye
to my hedges..They had been good friends
for so long. I will miss them very much.

Thanks for listening.

Susan Levine
