Subject: From Resident Susan Levine...About Tax Increases

CAUTION: External sender.

To our Mayor and Trustees...

Please add my voice to those who wish to keep our taxes as low as possible.
I know you do try hard to do that...but try even harder...please.

I do regret that there is no additional funding for Code Enforcement
this year..as I thought there should be to improve the quality of life
in Scarsdale.

So many quality of life issues in the Village are affected by neighbors
who violate Village Codes in various ways...like allowing their
gardeners to Defy the Ban on Gas Powered Blowers...
or dropping their Dog Poop in our Catch Basins...or Walking their Dogs on School
Property...
or blasting Loud Music on Outdoor Speakers in Neighborhoods with small lots.. or Idling
their Car Engines when parked...unnecessarily ..for more
than 3 minutes..(against Westchester County Law)...

Hoping more residents take the Gas Powered Leaf Blower Ban seriously...
Many are still unaware of it...and most do not require compliance from their
gardeners...which is why Code Enforcement is so necessary.

Our Code Enforcement gentleman.. Paul... has been doing a great job..
but he can only do it Part Time..a couple of days a week...since he has other duties.

Please do announce at your Trustee Meetings that residents
need to comply with Village Codes..especially the Gas Powered Leaf Blower ban..
and also disposing of Dog Waste at their homes...

And please sharpen your pencils with regard to our taxes.

Thanks for listening...

Susan Levine
