Subject: How the Scarsdale Library Serves the Community

Dear Mayor Mark:

I am pleased to deliver to you with this letter a pdf version of the Scarsdale Library Story Project, pictures and stories of community residents that illustrate the central role that the Library plays in the life of our community. I have today also delivered to Village Hall a hard copy of the project in notebook form so that you can, in one version or the other, share this with your colleagues on the Village Board.

These delightful stories highlight the many-faceted connections residents have with our Library. Our Library Story Project, conducted last year under the leadership of my predecessor, Michelle Lichtenberg, was inspired by the popular national oral history project, StoryCorps. The graphic presentation is courtesy of talented resident Jill Spieler.

We hope you and the other Trustees find this collection of stories illuminating of the many ways that our community is enriched by a thriving library.

Kind regards.

Sincerely,

Terri E. Simon
President, Library Board
