To the Scarsdale Board of Trustees,

I am reaching out to express my family's support of the acknowledgment of Coach Richard "Rippy" Philipps dedication to the Scarsdale Community.

While we have relocated out of state, Scarsdale will always be home to our family. A major part of the strong connection we feel to Scarsdale began with our warm welcome to the Scarsdale Community by Rippy when my oldest son (now 26) signed up to participate in Scarsdale Youth Football Organization. Rippy embraced us new residents then and he continues to be connected to our family.

We can think of no better way to show gratitude for his many years of service then to rename Crossways Field in his honor.

Thank you for your consideration.
