Subject: Food Scrap Curbside Pick-up

I just wanted to let you know that I would LOVE to have curbside pickup of food scraps. I love the food scrap program but find that at times I just can't always participate because of work commitments and lack of time to get to recycling center. If I had curbside pick-up I would 100% participate EVERY week vs. skipping weeks when things are too busy. It a great way to help reduce waste and I am so motivated to reduce our family's carbon footprint.

I hope the village can move forward with this initiative!
