Subject: RENAMING CROSSWAYS FIELD

CAUTION: External sender.

I'm writing to you in support of renaming Crossway Field in honor of Rippy Phillips.

That's a definite YES!

Our son has autism, and played football during his years in SMS. I can honestly say that Evan & Rippy learned from each other. Both have big hearts, with no tolerance for losing! Rippy's patience, support, and sense of humor made it an awesome experience for Evan (and for us as well!)

In short, he whole heartedly deserves this honor.
