Dear Mrs Seife--I believe I suggested, in the alternative, either attending the party or visiting the Library after December 3rd to see what is proposed. You need not attend the December 3rd party (or pay \$100) to see the proposed plans. It is my understanding that after December 3rd, the model and plans will be placed on display in the Library and so any resident wishing to see them can do so for some period-- whether it will be days, weeks or months I do not know -- by simply visiting the Library.

Very truly yours, Jon Mark

Dear Mr. Mayor,

You have asked the citizens of Scarsdale to do our homework and attend the meeting of Dec 3 at the library. The cost of attending for my husband and myself would be \$100. I am dismayed that I, as a taxpayer, need to pay to be informed about proposed renovations to a public building.
