

## **TO: MAYOR VERON AND THE BOARD OF TRUSTEES:**

As residents of Scarsdale, we object to the proposal by the Scarsdale Little League to install permanent lights at Crossway Field #1 and the nearby parking lots.

Our neighborhood already bears the enormous burden of traffic, noise and sports activity from the extensive use of:

**5 soccer/lacrosse/football fields**

**5 baseball fields**

**5 tennis courts**

**The Scarsdale Pool**

**KIDS Base**

**Saxon Wood Golf Course**

**Boulder Brook Equestrian Center**

**Bocce court**

**4 parking lots with hundreds of spaces**

**Pickleball courts**

**It is inequitable to add even more sports activity to an already over-burdened neighborhood.**

1. The proposal adversely impacts all of the surrounding neighbors with more traffic, noise, sports events, field maintenance, trash collection and police activity.
2. The Little League projects 76 nights per year of lighted activity, ending after 10:00 PM, by the time everyone leaves. Field requests from other teams and groups could easily increase the total to over 120 nights per year.
3. The proposed pole lights and vehicle lights will be highly visible from at least 65 properties in the immediate area.
4. The proposal places 80 foot tall lighting poles dangerously close to Mamaroneck Road. The poles will be highly visible year-round, from homes and the road. This permanently changes the appearance of the neighborhood, which has never had night-time activity in its history.
5. The proposal does not conform to Little League's own safety requirements including pole placement, independent analysis, detailed plans and specifications. The proposal relies on specifications from the vendor who is selling \$ 500,000 worth of lights....an obvious conflict of interest.
6. The Little League claims there is a field shortage and that the lights will fix this "problem". In reality, there is a large surplus of un-used, empty fields all over the Village.

**We object to and will continue to oppose further erosion of our peace and quiet, our property values and our Quality of Life.**

**We implore Mayor Veron and the Board of Trustees to abandon this unfair and thoughtless proposal.**
