Melissa,

Thank you for your email.

I hope you and your family are and remain well.

I greatly appreciate your generosity and eagerness to help. There are no central clearinghouses that I am aware of that coordinate the efforts to provide assistance to first responders, healthcare professionals and local people in need. Many of the various efforts are on Scarsdale Buzz, the informal community page on Facebook.

I might also suggest that you reach out to a resident, Dara Gruenberg, who has been very involved in a number of volunteer efforts. Dara is copied on this email.

Again, thank you for your generosity and be well.

Best regards,

Marc

Dear Mayor Samwick,

I hope you and your family are okay through this strange time we are living through. I read your most recent letter and i just wanted to ask you how we might find out about these efforts you named to help out with donations for people in need. I get the Scarsdale Inquirer but I didn't see anything about these things, maybe I missed it. Or maybe there is a bulletin board type of thing in the village website, I will check. If not, i wonder if it would be possible to create some kind of posting where everyone who would want to get involved with any existing efforts could do so.

Thanks for keeping us informed.

Sincerely,

Melissa Sepe Chepuru, LMSW
