My son, Daniel Peretz's, (deceased at age 28 year 2017) life was forever changed by Rippy. Danny was a big baby and big boy and was often teased about his size. Rippy changed all of that when he introduced him to football at 4th grade I believe. He went on to play high school football while in middle school and later was captain of the team his senior year in high school .With Rippy's help he was recruited to Franklin and Marshall College where he played football all four years. I have never met a man like Rippy giving hours every week to practicing with the young kids and attending all of the middle school and high school games while still holding a senior position at a bank. Please the town should definite his achievement by renaming Crossway field to Rippy Phillips field. Thanks
